

ENCOUNTER | EQUIP | ENGAGE

October 2024

Dear Applicant,

Thank you for your interest in joining our team at Cliff College. Set in the beautiful Peak District in Derbyshire, Cliff College is a Methodist and evangelical learning community, rooted in God's Word and Spirit. The programmes of Cliff College seek to form and equip people for the practice and leadership of Christian mission and evangelism in contemporary contexts. Offering a range of recently renewed programmes of theological and practical study – both onsite and online – the College continues to build on its heritage to establish its position as a global centre for evangelism and missiology.

Together with the Methodist Church in Britain, Cliff College is seeking to invest in the creative development of formational opportunities in theology and missional practice for young people and young adults. Coordinating closely with the Evangelism and Growth team, and the Children, Youth and Family team of the Methodist Church, this new role provides an exciting opportunity to design formational programmes, encounters and training that support young people in their Christian discipleship as they transition to young adults. This three-year post also adds capacity to the faculty of Cliff College, focused on teaching and learning that supports mission and ministry among children, youth and families. Together, the elements of this role combine to offer thoughtful and reflective leadership within the Methodist Church in Britain's work among youth and young adults.

The role is based at Cliff College, and we intend it to start no later than January 2025. However, conversations are possible with the successful candidate if flexibility is needed for the percentage of remote working and/or the start date. Accommodations can also be made for candidates who have not yet completed a PhD in a relevant area. It is not essential that you are a member of the Methodist Church in Britain; however, you will need to be fully in sympathy with the vision, ethos and charisms of the Church and of Cliff College.

If you would like an informal conversation about the post, please contact Michelle at m.foulkes@cliffcollege.ac.uk, or phone her on 01246 584200, and she will be happy to arrange that.

The deadline for applications is Thursday 31 October 2024 at 9am. Interviews will take place on 7 November 2024, at Cliff College. We hope this post will begin as soon as possible.

We look forward to receiving your application.

Yours in Christ,

Andrew Stobart
Vice-Principal (Academic)
