Title	Description
Bible Zoo	Each day we will have a theme where we will unpack an animal filled bible story through: story, craft, song and prayer.
Get Up & Move	Get up, stretch, move and dance to your favourite action songs. Let's worship together!
Bedtime Stories	Finish an AWESOME day with a story before bed.
The Donnison Family	Tips for how you can grow in faith as a family through activities and songs.
Tiny Pops	Get lockin' and poppin' with Georgia every day, and share your moves with us!
Be A Hero Series	Follow Lily Jo as she helps us learn how to be a HERO of your own mental health.

We would love to see the amazing things your family have been up to while participating in Festival at Home! We will be setting challenges every day to participate in; you can share your photos and videos by email or Facebook. When posting, use the hastags below so we can share with others!

We hope you enjoy the weekend and we look forward to journeying with you in faith.
